IMPORTANT INFORMATION

Urgent Shutdown

We are writing to inform you that we need to undertake urgent works and there will be an interruption to your mains water service, Contractors Budmax Construction Ltd will be isolating the mains water service for works to be carried out Tuesday 2nd April 2024 at 9am for a period of approximately 5 hours and this will affect the mains drinking water supply.

Properties affected: Lewes House 1-32

Please ensure that all taps are turned off during the shutdown period. If you fail to take this precaution you may flood your own properties and neighbouring properties when the water services returns.

Further information can be found by visiting Southwark's Communal Breakdown page www.southwark.gov.uk/blocks which is updated frequently with current information.

If you require additional support or assistance during the above shutdown please contact your Housing or Resident Service Officer.

We apologise for any inconvenience this shutdown may cause.

Yours sincerely,

Engineering & Compliance
EngineeringServices@southwark.gov.uk
